PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience in building responsive and user-friendly web applications using React.js, JavaScript, HTML, CSS, Bootstrap, and Tailwind CSS. Experienced in developing full-stack projects using Node.js, Express.js, and MongoDB. Strong understanding of REST APIs, database management, and modern web development practices. Passionate about creating efficient, scalable, and visually appealing applications while continuously learning new technologies. Seeking an opportunity to contribute to innovative software development projects and grow as a software engineer.

PROJECT

Web Pulse | *React.js, Node.js, Express.js, MYSQL*

- Developed a website **monitoring** platform for tracking **uptime**, **downtime**, and performance metrics.
- Built responsive dashboard interfaces using React.js and integrated REST APIs for real-time data visualization.
- Developed backend services with Node.js and Express.js and managed monitoring data using MYSQL.
- Implemented website status tracking, response time monitoring, and analytics reporting features.

Tours & Travel Management System | *PHP, MYSQL, JavaScript,HTML, CSS*

- Developed a Tours & Travel Management System with user registration, login, and booking features.
- Implemented tour package browsing, booking, and cancellation functionalities.
- Built an admin panel for managing packages and customer bookings.
- Integrated MySQL database for secure data storage and management.
- Designed responsive and user-friendly web interfaces using HTML, CSS, and JavaScript.

News App | *React.js, javaScript, HTML, CSS, News API*

- Developed a News App using React.js and News API.
- Implemented real-time news fetching and category-based filtering.
- Designed a responsive and user-friendly interface.
- Integrated APIs to display dynamic news content.

EDUCATION

Makhanlal Chaturvedi National University [MCU]

Bachelor of Computer Applications [BCA]: CGPA: 7.77

Bhopal, India

Aug. 2023 - Jun 2026
